

DELIVERY POLICY

TIMING OF DELIVERY

The digital currency that you purchase will be delivered to the address that will be assigned to you by RigelPlatform upon registration. RigelPlatform will do its best to deliver your currency within minutes, but in the event of an unforeseen problem, please allow up to 24 hours.

Receipt of such digital currency coins will depend on the speed of the underlying network, more commonly referred to as the blockchain.

Please allow for 6 network confirmations for the funds to be credited to your address, opened with RigelPlatform. You can track the progress of your transaction by clicking on the Wallet Address in your Transaction History, or by visiting any public available blockchain explorer.

DIGITAL CURRENCY DELIVERY ADDRESS

Your digital currency address can be found in your digital currency wallet.
